[Verse 1]

I'll bet you've never heard ole Marshall Dillon say

Miss Kitty have you ever thought of running away

Settling down, would you marry me

If I asked you twice and begged you pretty please

She'd have said yes in a New York minute

They never tied the knot

His heart wasn't in it

He just stole a kiss as he rode away

He never hung his hat up at Kitty's place

[Chorus]

I should've been a cowboy

I should've learned to rope and ride

I'd be Wearing my six-shooter, riding by pony on a cattle drive

Stealing a young girl's heart

Just like Gene and Roy

Singing those campfire songs

Oh I should've been a cowboy
